OUR FIRST PLEDGE
IS A SCIENCE DAY.

- We are going to raise money for a science day where we do lots of fun activities like making slime and small eruptions and get messy.

OUR SECOND
PLEDGE IS A
BENCH BALL
AFTERNOON

We will have a
whole afternoon
playing a an inter-
house bench ball
tournament

OUR THIRD PLEDGES IS
A MOVIE WHILST WEARING
YOUR PYJAMAS.

You can come to school in your
pjs and during the afternoon we
will go in the hall and watch a
film. You will also have to vote
on what film to watch.

.It is \$1 for PJs and 50p to bring
a treat .this is to raise money for
the Kanyike project.

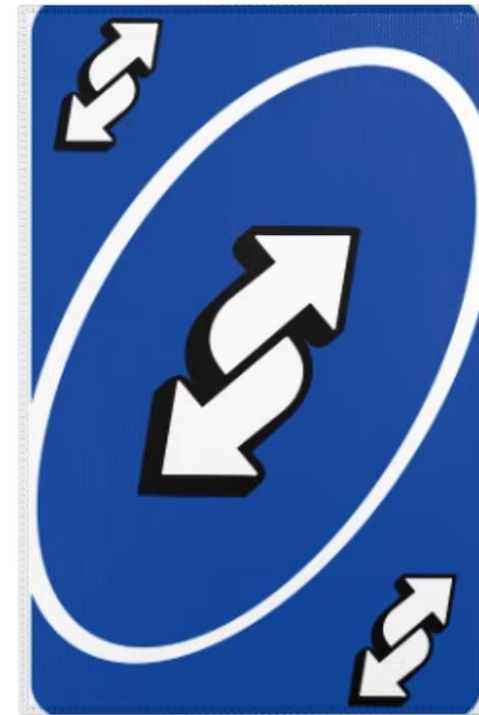

OUR FOURTH PLEDGE IS AN OPPOSITE DAY !

How the opposite day works is most of the rules you can do the opposite of them for a day.

e.g. You have to wear school uniform ,no makeup , no jewellery ,you cant call teachers by there real name.this is raising money for cancer reasearch as it is 50p to break a ruel.

We can go on and on but we don't have all day .
